

Amendment to the Regulations of Participation of foreign startup teams in the “Poland Prize – techseed.me” project

§ 1

1. The Organizer changes the Regulations of Participation of foreign startup teams in the „Poland Prize – techseed.me” project as follows:
 - a) in § 1 item 5 at the end of last sentence, delete the period and add a part of sentence in the wording: subject to the provisions of § 4 item 3 of these Regulations.
 - b) § 4 item 3 shall read as follows: The substantive evaluation will be will take place after conducting an individual Videoconference with the Intake Participant. If the number of submitted Application Forms for a concrete acceleration programme exceeds 25, the Organizer reserves the option to do an initial substantive verification based on the Application Forms and invite Intake Participants, who presented the best Applications, to a Videoconference. The Recruitment Committee will decide on the number of Intake Participants invited to the Videoconference.
2. The other provisions of the Regulations remain unchanged.

§ 2

1. The change of the Regulations shall apply on the day of its publication and relates to the Third acceleration programme.
2. The published change to the Regulations will be available on the Project’s website www.techseed.me and at the Organizer’s office.

§ 3

The Annex to this change of Regulations of Participation of foreign startup teams in the „Poland Prize – techseed.me” project is the consolidated text of the Regulations including this change of Regulations.
